Dear Mr. Shaw:

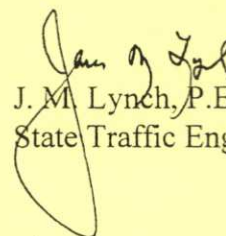

Our investigation of your request for STAA reasonable access to the Outboard Marine Corporation plants in Burnsville and Spruce Pine is complete. We have found both routes to be acceptable and hereby grant approval for your firm to run STAA dimensioned vehicles along these routes. The approved routes are described as follows:

- From US 19-23, Madison County, onto US 19, then northeast on US 19 to US 19E, then east on US 19E to the Outboard Marine Corporation plant located on US 19E in Burnsville, Yancey County. Occasionally, STAA dimensioned vehicles will continue east on US 19E to Greenwood Road (SR 1153), then south on Greenwood Road to the Outboard Marine Corporation plant located on Greenwood Road in Spruce Pine, Mitchell County.

All weight limits that may exist on these routes must be observed.

Please let us know if you have any questions or need additional information.

Yours very truly,

J. M. Lynch, P.E.
